

Beauty out of chaos

Frequently Asked Questions

Is there a fee to attend this event?

This event is free to attend, however, seating is limited so reservations are required. Dress is business casual attire. Adults only, please. An opportunity for a financial investment will be provided.

Will I be seated with people outside of my party? Can I request a table for me and my spouse, alone?

Due to limited space and seating, it is possible that you will sit with another party. We always group our tables first by table hosts and then fill in with individuals registrants from there. We are not able to accommodate requests to be seated alone with your spouse due to limited seating availability. If you are uncomfortable with the possibility of being seated with others, we encourage you to register for our Virtual Event.

What precautionary measures are in place for this event?

We have taken precautionary measures to ensure safety at this year's event. These include:

- A Plated, Served Meal
- Spacing Between Tables
- Hand Sanitizer Stations
- Masks Are Welcome
- Streamlined Check-In System
- Offering a Virtual Event

What if cases increase and the city mandates further restrictions?

We are already planning a Virtual option for this year's event. If cases or mandates were to increase, we would be prepared and ready to launch the entire event virtually! We would communicate such changes to you via the email you use to register.

Why did you change your venue to Peace Lutheran this year?

Due to the unknown of Covid, we felt Peace Lutheran was a good option for this year's event. Peace supports the work we do and in a year when fundraising is unknown, Peace provides a large enough gathering space free of charge.
